

## *Special Features at Echo Lake Inn*

### **The Tyson Church**

**Just across the lane, built in the early 1900s, the Tyson church is home to local parishioners and many country weddings held at the Echo Lake Inn.**

### **The Tent**

**Our beautiful tent – *where do we begin to describe it***

### **The Arbor**

**Built right through the lilac bushes, the wedding arbor is the entrance to your wedding ceremony at the old wishing well and the perfect location for those romantic photos.**

### **The Wishing Well**

**Nestled by the woods, the old wishing well is a popular spot for many wedding ceremonies. White chairs, full of friends and family, border your walk down the aisle on your way to the wishing well and your husband to be.**
