

Amanda & Michael

It is hard to believe that our wedding is over! It seems like yesterday we were saying our vows.

Thank you for such a beautiful wedding. You and your staff at the Echo Lake Inn made our day a long lasting memory for my husband and I, as well as, the rest of the family. Of all the weddings we have attended none seem to "hold a candle" to ours.

Our wedding would not have been as spectacular without your help, your hospitality, the food, the setting..... everything was fabulous. Our wedding was the best day of our lives and it would not have been possible without your hospitality and expertise.
