

Donna & David

“We wanted to thank you once again for seeing to it that our wedding was a wonderful experience. You and your staff did so much to not only make us feel at home, but to take away the extra stress that make events such as weddings almost unbearable.

Not many brides and grooms can say that they played tennis, basketball, canoed and swam in the pool on their wedding day!! We truly feel that the Echo Lake Inn will always be an important part of our lives and thank you for talking care of the specific dietary requests and helping create a lavish feast with no meat.

We would be happy to recommend the Inn for anyone thinking of having a beautiful, memorable event, organized and taken care of by a wonderfully attentive, kind and professional staff.”
