

*Kristin and Fred*

Fred and I cannot begin to express in words how thankful we are for everything you and your staff did to help make our wedding weekend the most spectacular weekend of our lives. We will cherish the memories in our hearts forever.

From the moment our guests arrived on Friday until the time they left on Sunday, everything was truly delightful. Beginning with the cocktail reception on Friday evening, the wedding reception on Saturday evening and finishing with the Brunch on Sunday morning, everything was seamless in production, allowing for a fun-filled weekend for all. Fred and I liken it to a weekend retreat the we shared with our closest friends and family.

Your experience, hospitality, professionalism and genuine good-nature shine through over and over again in everything you do. The service was impeccable and the food was out of this world. The Inn's beauty and Tyson, Vermont's charm provide the perfect setting for a lovely country wedding. Who could ask for more?

There is no doubt that you and your staff take a great deal of pride in creating the storybook weddings that every little girl dreams of. Our wedding was everything we had hoped it would be - and more. Thank you for making our dreams come true.
